INDIAN PANORAMA RESTAURANT

Here at the Indian Panorama, we have compiled an extensive range of exceptional wines and champagnes, with great care to perfectly accompany the cuisine of Chef Shiv Singh, Cuisine Director and to ensure each showcased varietal will pair with the dishes being offered.

Matching wine with Indian food can be a voyage of discovery and hence, our wine list has been meticulously handpicked with the help of assiduous professional wine taster & our highly experienced supplier - Ellis Wines, who personally source a boutique wine selection from small, independent wineries across the globe.

In an effort to break the myth that spicy Indian food does not go well with wine and to explore the incredible wines coming out of India; Founder & Managing Director, Sujit Singh, in his quest for knowledge about India’s wine growing areas and their wineries, has personally visited prestigious Sula Vineyard, situated in Nashik - wine capital of India and added two exclusive wines to the list.

Sula Vineyards was set up in 1997 by Sula’s founder Rajeev Samant, who had returned to the family farm from a stint at Stanford and Oracle in Silicon Valley and decided to make wine, working closely with Californian legendary winemaker Kerry Damskey.

Of course if you would like some guidance with any of our wines, then please do not hesitate to ask a member of staff who will be more than happy to help you.
